

Department: Department of Administration**Sponsor(s):****Division: Capitol Commission****Program: Capitol Commission****Description: Reconsideration of FY 2020 Budget - Add language****1. Background:**

This request is for reconsideration of the FY 2020 budget to add reappropriation language to the Capitol Commission appropriation bill. This language was not included in last year's appropriation bill, but the agency has now made a request to have it included in this year's bill. This reappropriation authority allows the agency to have flexibility in construction projects at the Capitol Building.

2. Actions:

a. Reconsideration of FY 2020 Budget: Requires 2/3 roll call vote reopen.

"I move to reopen the fiscal year 2020 budget for the Department of Administration for the Idaho State Capitol Commission.

b. Motion:

"I request unanimous consent to accept the language as shown on the screen to the appropriation approved by this committee on March 5, 2019."

c. Language:

SECTION __. REAPPROPRIATION AUTHORITY. There is hereby reappropriated to the Department of Administration for the Idaho State Capitol Commission any unexpended and unencumbered balances appropriated to the Department of Administration for the Idaho State Capitol Commission from the Capitol Commission Operating Fund for fiscal year 2019 to be used for nonrecurring expenditures for the period July 1, 2019, through June 30, 2020.

d. Discussion:

This language was included in the Capitol Commission's budget, but was removed for fiscal year 2019. This language allows the agency flexibility as they maintain the Capitol Building.
